

K-LOVE serves me as a local resident by providing Christian music and radio hosts who are not crude. I don't have to worry about what they will say on-air because I know that they are in agreement with what I believe.

If K-LOVE was to be displaced by another LPFM broadcaster, there may be no other alternative in Christian music. It DOES play an important role in the community because when people are feeling down, they can listen to K-LOVE and get encouraged!

The service provided by K-LOVE is in the public's interest because there is also a chance that they may start to understand the greatest news ever. If you don't know what that news is, please call me @ 623-210-1925, and we can talk about it. Without a "positive" Christian influence provided by K-LOVE, the community will get worse, rather than better.
